Genuine Brother Mobile Solutions Supplies

Here at Brother Mobile Solutions, we take pride in manufacturing genuine supplies to guarantee the optimum compatibility with your printer. Our engineers have developed our supplies to work harmoniously with your printer so that you get consistent and reliable results with every print. We invest in extensive research, high tech manufacturing converting facility and put our products through rigorous tests.

Using Genuine Brother Mobile Solutions Supplies can help guard against equipment damage and possible printer malfunction. Here are some more reasons to rely on Genuine Brother Supplies:

- Brother has decades of manufacturing experience and expertise.
- Brother products are evaluated and tested under extreme conditions.
- All printers and supplies produced by Brother are constantly being redesigned and improved.
- By using Brother Genuine supplies you can enhance the quality and performance of your Brother equipment, experiencing:
 - ✓ Longer life for your Brother printer.
 - ✓ Superior performance.
 - ✓ Highest quality output.
 - ✓ Minimal jamming or malfunctioning of equipment.

Customized Full Color Printing

Customize your label, tag, or receipt paper – Your Way. Brother Mobile Solutions offers multi-color flexographic printing. Add a full color logo, watermark, terms and conditions and text to either the front or back of your receipt paper. Create a custom label, tag, or receipt paper using a wide variety of materials and ink colors.

Capabilities

- 4 color process (CMYK)
- 1 to 6 spot color (PMS Color matching)
- Reverse back-side printing
- Face and back slits
- Hole punch, air-eject hang holes
- Variety of facestocks and adhesives for any application

Brother Mobile Solutions experts are here to help you with your custom supplies needs. From concept to delivery, Brother is your partner to help assist you in finding the right material for your application.

Brother Mobile Solutions Receipt Materials

Standard Paper

- **7 years archivability**
- BPA Free
- Standard sensitivity
- General purpose
- Clean, crisp, dark imaging
- Great for graphics and logo imaging

Premium Paper

- **20 years archivability**
- BPA Free
- Higher sensitivity
- Darkest imaging
- Ideal for barcode applications and printouts that require a premium look
- Ideal for graphics and logo imaging
- Excellent chemical and environmental resistance
- Top coated

Fast Dry Paper

- **7 years archivability**
- BPA Free
- General purpose
- Clean, crisp, dark imaging
- Great for capturing signatures, fingerprints, and ink stamp

Synthetic Film

- **20 years archivability**
- BPA Free
- Lightweight, synthetic base polypropylene film
- Exceptional strength and smoothness
- Water resistance
- Resistance to oils, plasticizers, alcohol and solvents
- High durability
- Dark image
- Top coated

Brother Mobile Solutions Label Materials

D-Therm – Premium Direct Thermal Paper Label

- High quality, general purpose direct thermal paper label stock
- General purpose permanent acrylic based adhesive

D-SYN – Premium Direct Thermal Synthetic Label

- High quality, general purpose direct thermal polypropylene label stock
- General purpose permanent acrylic based adhesive

Pocket Jet Series Printers

Brother MPrint MW Series

Ultra-portable Printing for the Modern World

This ultra-slim, lightweight mobile printer is the ideal solution for applications that demand high-resolution text or graphics in small-format output (2.9"x4.1" or 4.1"x5.8"). Now with MFi Bluetooth® technology and across-the-board operating system compatibility, the MW Series offers easy, wireless communication with iPhone®, iPad®, iPod®, Windows®, Windows Mobile®, and Android™ devices.

Brother MPrint MW-260MFi
Small-format (A6) mobile wireless printer with USB, Bluetooth, and IrDA interfaces.

Brother MPrint MW-145MFi
Small-format (A7) mobile wireless printer with USB and Bluetooth interfaces.

Printer Cleaning Cards and Sheets

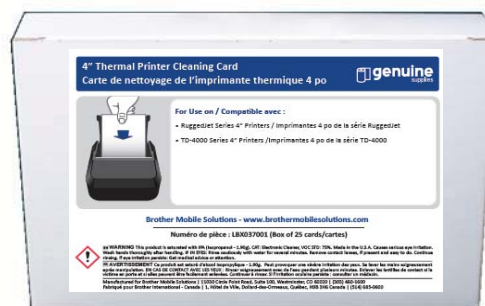

Did you know that over 80% of printer and reader failures are linked to poor maintenance? The not-so-hidden costs of neglect include lost production, customer dissatisfaction, frequent service calls, and premature equipment replacement. Brother Mobile Solutions cleaning products are tested and approved to offer reliable performance and consistent quality.

Brother Mobile Solutions cleaning cards are designed to safely and effectively remove dirt and other contaminants from the thermal printhead, rollers and paper path resulting in clean, crisp image output — every time.

Regular use of Brother cleaning products will:

- ✓ Remove adhesive residue, dirt, and other contaminants that can cause label jams and lead to printer component damage
- ✓ Extend the life of the thermal printhead and rollers
- ✓ Keep your printed image clean and crisp Paper Rolls
- ✓ Cleans printhead, paper guides and paper path
